

ELESMART A5

Wheelchair Power attachment

ELESMArt®

ELESMART A5

Adventure is everywhere

ELESMART A5 handcycles use side connection fitting most wheelchairs with tube diameters of 22-32mm, increasing the product's application range and compatibility, eliminating users' concerns about fitment. ELESMART front lights feature a convex lens design, providing longer range and brighter illumination. A5 are equipped with a colorful TFT display, featuring a cruise function and providing a USB charging port, making it convenient for users to charge while in use, enhancing product practicality. The ELESMART brand electric wheelchair handcycle offers users the best choice with its outstanding design and excellent performance. We are committed to continuous innovation and improvement, providing users with the highest quality products and services, and becoming your trusted partner.

Technical parameters

Product Name: Wheelchair Power attachment

Model: ELESMART A5

Intended Use: Provides power to the wheelchair

Patient Population: The elderly and disabled

Indication: Urban smooth road

Shelf Life: five years (excluding wearing parts)

Wheel Diameter: 12"

Motor Power: 36V/48V 500W

Speed*: 25KM/H

Torque: 45Nm

Lithium Battery: 10.4/12.8/16AH

Range(KM): 50/60/70

Display: COLOR TFT+USB

Frame: Suspension

Connection Method: Side
