COMPANY PROFILE

SELECTIVE PACKAGING LTD was founded in 2014,Integrate design, production, accessories, and quality control,develop and manufacture beautiful, environmentally friendly and safe cosmetic packaging, to create the first competitive service in the market for customers.We focus on green eco-friendly material cosmetic packaging,such as natural bamboo and wooden material,also apply ourselves to develop biodegradable PLA,PMU and sugarcane materials cosmetic packaging.

We mainly offer bamboo and wooden skin care packaging, make-up packaging, personal care bottles, perfume lid, accessories, and other glass &plastic cosmetic packaging.Our main market is United States,Europe,Australia New Zealand,Japan and South Korea,we cooperated with many Luxurious cosmetics brands.

Our factory covers an area of more than 5000 square meters, over 100 sets all kinds of processing machine tools, including automatic lathes, spray painting lines, automated dispensing assembly lines, professional dust removal equipment etc., with an average monthly production capacity of 200,0000 various products.

We have a laboratory to detect all kinds of packaging products to ensure provide stable and reliable product.Our experimental facilities including professional tension meter, torsion meter, color assessment cabinet, vacuum tester, constant temperature,humidity tester and so on.

Our wooden& bamboo products have passed the EU REACH test and US FDA food-grade contact Test, all material compliant with FSC certification , meet international environmental protection standards.
